Dear Sir/Madam

Sub – Glass Block specification and usage – reg

With reference to your request we are pleased to furnish the following details for your approval of our material Andika Glass Block for your prestigious project. We personally thank you for your continual support.

**Product Description**

Glass block is a kind of glass product which is made out of transparent or colored glass in the glass surface of bulk glazing products. Its main varieties are hollow glass brick, glass tile and glass mosaic.

Glass block can be used for any home, office or business project. It help's in adding beauty by allowing natural light to your home or office and cost save on electric bill. At the same time, glass block will increase your security and privacy. Glass block is a beautiful alternative to regular windows or walls.

Andika Block Glass Properties: 1- Low heat conduction, fire-proof, corrosion-resistant, excellent insulator.  
2- Translucent, no poison, no pollution, no toxic odors, Can endure heavyweight with high pressure.

**Applications:**

- 1- Windows, Showers, Exterior walls and other construction industry.
- 2- Interior partitions, kitchens, bathrooms, floors, furniture facades and stairs.

**Andika Block Glass Specifications:**

- 1) 190X190X80mm, 190X190X95mm, 145X145X95mm, 145X145X80mm, 240X240X80mm, 240X115X80mm Different Sizes available.
- 2) Meet EN101-1: 2003 and JC/T 1007-2006 standards.

This document is issued under the authority of the Pre-Export Verification of Conformity Programme, for and on behalf of the Tanzania Bureau of Standards, TANZANIA, and is valid for a period of three months from its issue date.

This document does not discharge exporters from their contractual obligations in relation to quality and quantity of the goods referred to herein, nor does it discharge the exporter or the importer from exercising all their rights and discharging all their liabilities under the Contract of Sale. Stipulations to the contrary are not binding on Intertek. Intertek's responsibility and liability are limited to the terms and conditions of its agreement with its client and it assumes no liability to any other party for losses, expenses or damages occasioned by the use of this certificate. This document does not evidence shipment. Irrespective of this document TBS may reject the consignment if found to be non-conforming on verification at the port of entry.

The Exporter hereby declares that the shipment which is referred here includes regulated products that have been certified by the PVoC partner Intertek and which are listed in this Certificate of Conformity
